# APRIL 27, 2024

## BIKE & WALK-A-THON

### JOIN US IN THE FIGHT AGAINST HUNTINGTON'S DISEASE!

Join us as we lace up our shoes and hop on our bikes to raise awareness and funds for Huntington's Disease (HD). HD is a devastating genetic disorder that affects both the mind and body, causing a progressive breakdown of nerve cells in the brain. This degenerative condition severely impacts a person's ability to move, think, and reason, ultimately robbing them of their independence and dignity. Every step we take and every mile we ride in this Walk and Bike-a-Thon brings hope to those affected by HD. Funds raised will support crucial research efforts to find effective treatments and, ultimately, a cure for this debilitating disease. By participating, you're not just exercising your body – you're exercising compassion and solidarity with those who face the daily challenges of living with HD. You also may make donations online [southcarolina.hdsa.org/events/2024-sc-bike-walk-a-thon](https://southcarolina.hdsa.org/events/2024-sc-bike-walk-a-thon).

*Nobody Fights Alone*
